JUNE 2021 NEWSLETTER

Events

At the Committee meeting held this week we decided to move the October Quiz Night to a Friday night in May 2022. The Town Hall is not booked yet, but I will let you have the date as soon as it is booked.

We held the June walk in the afternoon of the 4th June with three walk leaders and about 17 people joined us. We are planning on holding the next walk on Sunday the 29th August (not the 22nd as originally planned) starting at the Town Hall Car Park at 2.30pm. The topic is :-

“Some of the Buildings of the High Street.”

Weather permitting, we are hoping to be able to have a photograph display in the garden of the museum and serve refreshments via the side gate.

We will review the possibility of running the September talk in July. The gentleman due to give the October talk has now retired, so there will be no talk in October this year.

Museum reopening

We have had two visitors since we reopened for research purposes. The third research visitor had to postpone for work reasons but will be along one weekend. These appointments went well, and we rigidly stuck to the Covid guidelines, the visitors accepted them with no problem. In all probability, this way of opening will continue until next spring.

Bulletin 2021

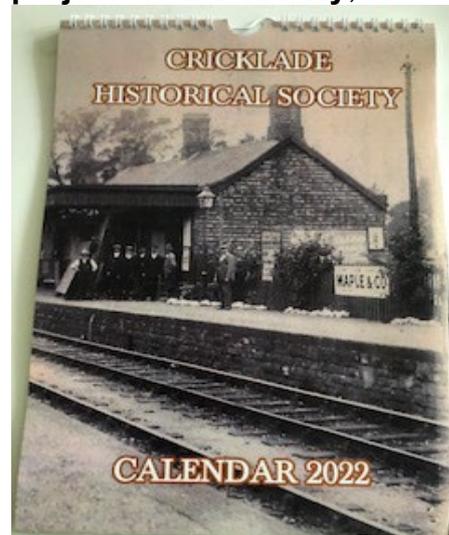

The bulletin has now been completed. We have had a problem with some of the Bulletins that have been posted, they had the correct postage but a couple were opened and the Bulletin removed before the empty envelopes were delivered to the members. Please could those of you who usually receive the Bulletin by post let me know if you have not received it?

Fund Raising.

As we have not had a Quiz Night or a raffle for the last two years, I asked our treasurer

if we could fund the creation of a Calendar from our photograph archive for 2022. Paul Marley and I spent several hours going through the archive to create the calendar which is now printed and ready for sale @ **£9.95 each**, complete with cardboard envelope if you wish to post them to your nearest and dearest. Please contact me and let me know how many you would like to buy.

This is a very important fund raising project for the society,

Pam Debenham, 24th June 2021
